

# Red Roo CMS100

## **Big performance, proven reliability**

The Red Roo CMS100 Chipper Mulcher Shredder turns garden waste into valuable mulch. This machine chips logs up to 100mm (4") in diameter and the leaves and smaller branches are processed through the mulcher hopper. The CMS100's robust design makes it ideal for professional gardeners, nurseries and the rental industry.

### **Features**

- Electric start
- Solid steel construction utilizing laser cutting & CNC equipment
- All proven wear points reinforced
- Sandblasted & powdercoated finish
- Heavy duty centrifugal clutch
- Heavy duty air filtration system
- 50mm coupling, spare tyre & light kit
- Red Roo Flexride™ Suspension
- 200mm (8") spring loaded jockey wheel

 **RED ROO**™  
**Commercial Environmental Equipment**

# Red Roo CMS100

Chipper hopper handles logs up to 100mm (4")  $\phi$

Mulching hopper handles leaves and smaller branches

Screen options for smaller and larger mulch

Balanced chipper disk

Heavyduty rotor assembly

Chipping hopper in transport position

## Specifications

Engine	30hp (22.5kW) OHV V-Twin Kohler Command Pro
Drive	2B 150mm (6") heavy duty centrifugal clutch
Fuel tank	14ltr rotor moulded plastic
Length	2280mm (90")
Width	1320mm (55")
Height	1670mm (66")
Weight	580 kg (1276 lbs)
Tyres	145R12 steel belted radial
Chipper disc	500mm (20") $\phi$ x 25mm (1") thick
Chipper knives	2 x reversible, sharpenable
Chipping capacity	100mm (4") intermittent
Chip size	25mm (1")
Mulching capacity	35mm (1 1/2") branches
Discharge direct to ground	
	$\phi$ 45mm (1 3/4") perforated screen (standard)
	$\phi$ 30mm (1 3/16") small material (optional)
	$\phi$ 62mm (2 3/8") large material (optional)
